

1.1 VIEW APPLICATIONS

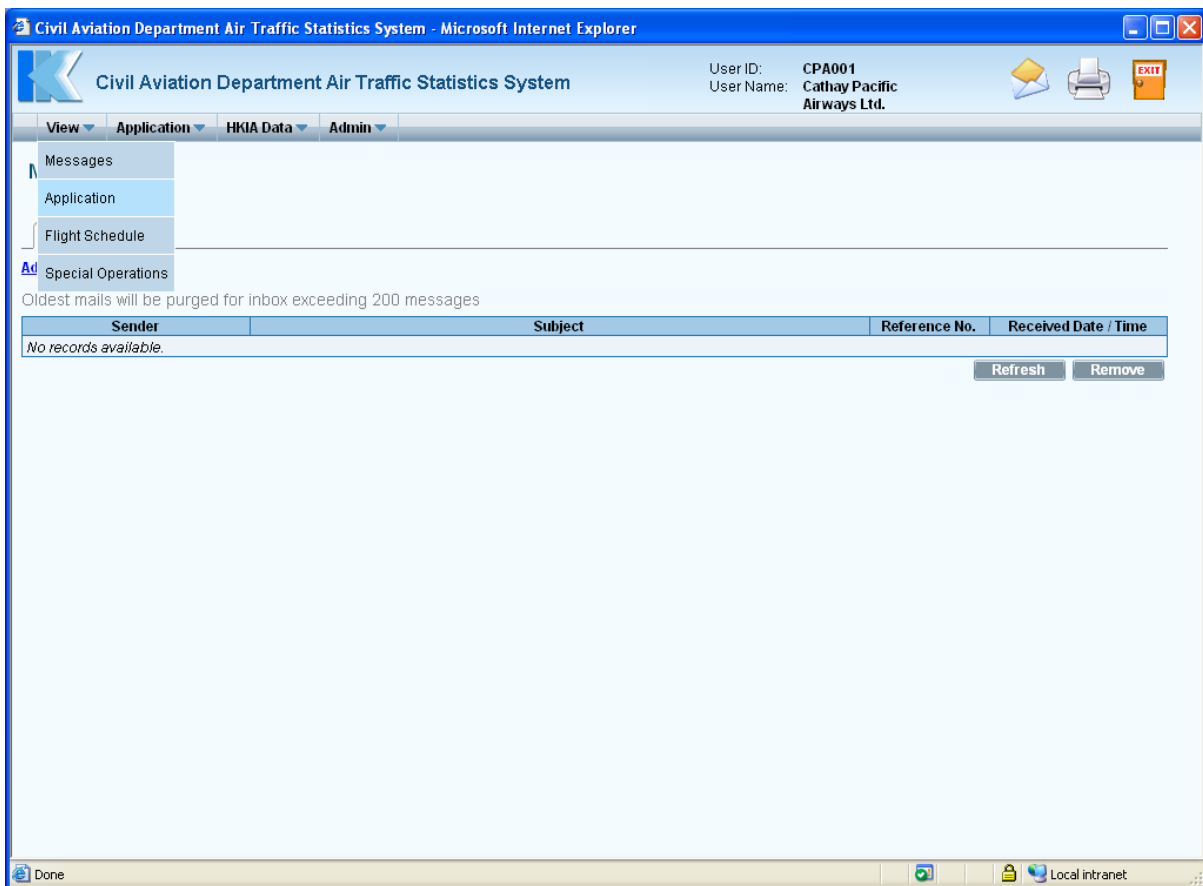

1.1.1 Introduction

This section contains procedures for users to

- view / search submitted or draft applications;
- view the status of the submitted applications;
- withdraw submitted applications which have not be approved / disapproved by CAD; and
- delete draft applications in the E-filing System.

1.1.2 View Applications

1.1.2.1 From the Main menu, click **View** → click **Application**. The **Search Application** screen will be displayed.

1.1.2.4 For advance search, input the desired search criteria to filter the records displayed in the *Submitted Applications* grid:

- a. **Operator (ICAO)** - For registered operators, their Operator code is displayed automatically. Users can choose a suitable operator code from the **Operator (ICAO) pull down menu**.
- b. **Operator Name** - The name of the Operator will be displayed according to the selected code. Users can input the full name of the operator manually. The text should be limited to 100 characters. Please ensure that the name should tally with the one used in E-filing applications. For registered agents, they can input partial Operator

Name by specifying "%". For example, to search all operator names start with "Cathay" by specifying "Cathay%". Similarly, to search all operator names containing "Air" by specifying "%Air%".

- c. **Application Type** – Tick the *checkbox(es)* to specify application type(s). More than one checkbox can be selected at one time. For example,

Scheduled Passenger checkbox

Application Type	<input checked="" type="checkbox"/> Scheduled Passenger
------------------	---

- d. **Reference No.** – Input the **start reference no.** or **end reference no.** or both. For example, input 12 for reference no. 000000000012. The specified value must be a number not exceeding 12 numerals.

start reference no. end reference no.

Reference No.		to	
---------------	--	----	--

- e. **Submitted Date/Time** - Use the *Submitted Date / Time (From/To) date picker* to specify the range of submitted date or input manually in dd/mm/yyyy format.

Submitted Date / Time (From/To) date picker

Submitted Date / Time		to		(dd/mm/yyyy)
-----------------------	--	----	--	--------------

- f. **Status** - Select to view applications of various statuses from the *Status pull down menu*. The possible values of status are:
 - **New** - Newly submitted application yet to be processed by CAD.
 - **Processing** - Application is being processed by CAD.
 - **Returned** - Application has been returned by CAD for users' follow-up action.
 - **Approved** - All flight schedules in the application have been approved.
 - **Disapproved** - All flight schedules in the application have been disapproved.
 - **Processed** - Application has been processed and contains flights of different status. For example, some flights are approved while other flights have been processed by CAD but of different status (e.g. disapproved)
 - **Withdrawn** - Application has been withdrawn by the user.
 - **Lapsed** - Submitted Applications contains lapsed flight schedules, i.e. the proposed date(s) of operation has / have been passed.

Status pull down menu

Status	All
