NOTES

1. The mass release of balloons may be subject to Air Navigation (Hong Kong) Order Article 47.
2. The notice and all relevant information should reach the Civil Aviation Department (CAD) at least **7 working days** prior to the date of the proposed balloon release.
3. The following conditions are normally required to be observed for the mass release of balloons :
 - (a) The balloons should be released individually, i.e. not tied together.
 - (b) When fully inflated the diameter of each balloon should not exceed 30 cm (12 inches).
 - (c) Paper banners or other attachments to the balloons are not permitted.
 - (d) The balloons should be of rubber material; no metallic inflatable balloons are permitted.
4. This notification only relates to the requirements of the Air Navigation (Hong Kong) Order. The organizer is responsible for obtaining any necessary authorisation or permission under any other relevant legislation (both from CAD and any other organizations or Government Departments as applicable) and complying with all relevant legal requirements and conditions before undertaking the mass release of balloons.
