

**Interim Statement on the Investigation
of Aircraft Accident on CPA 780
(Airbus A330-342 Registration Mark B-HLL) on 13 April 2010**

In accordance with the Hong Kong Civil Aviation (Investigation of Accidents) Regulations, an inspector's investigation is in progress to determine the circumstances and causes relating to the accident involving an Airbus A330-342 aircraft (registration mark B-HLL) operated by Cathay Pacific Airways that made an emergency landing at the Hong Kong International Airport on 13 April 2010.

Since the occurrence of the accident, the Hong Kong Civil Aviation Department has issued three Accident Bulletins and three safety recommendations via Accident Bulletins 1/2010, 3/2010 and 1/2011. All the Bulletins and the safety recommendations are published in the website <http://www.cad.gov.hk/english/reports.html>.
